FOREWORD

This bibliography of approximately eight hundred titles, was compiled as a part of the research work done by the Committee to Study the Feasibility of the Extended School Year.

The Committee wishes to express appreciation to Miss Ellen Tollison, Information Processor for the Research Information Section of the South Carolina Department of Education, for her willing and valuable assistance in the completion of this work.

All materials are listed by year of publication and are categorized under each years' listings as follows: books, periodicals, newspapers, pamphlets, booklets, and reports. The time period covered is from the year 1907 to April 1972.
